## Request for Wine Donations

Stone Bridge School (SBS) of Napa Valley is proud to present our 11th annual fundraiser, “Extravaganza!” Live & Silent Auction! This year we are celebrating the richness of the imagination and the nuggets of wisdom that fairy tales of far away lands have brought to our children and us with an evening of *Fairy Tales and Far Away Lands*. In addition to community bonding and frivolity, there will be food, music, dancing, games, and live and silent auctions throughout the evening.

### ***Your gracious Wine/Winery Donations are integral to our success -***

Why is Stone Bridge School special? Well ...as a Waldorf-inspired school, the curriculum focuses on the whole child. The teaching method utilizes a developmental model of the growing child, awakening an individual child's full & unique potential. Through a tapestry of art, music & dance, the Waldorf-inspired curriculum engages active will, creative imagination & clear, independent thinking. Proceeds from the event will directly support Stone Bridge School, the only Waldorf-inspired elementary and middle school in Napa County. Our campus is currently home to over 260 students from K- 8th grades. As a public charter school, we face the same economic challenges as our fellow public schools. Despite these challenges, we continue to develop our campus, embrace green and sustainable practices and support our unique curriculum.
